

Call for Participation

We invite you to join us in **15th International Conference on Communications Security & Information Assurance (CSIA 2024)**

This conference will provide focuses on all technical and practical aspects of communications security & information assurance for wired and wireless networks. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding modern security threats and countermeasures, and establishing new collaborations in these areas.

Highlights of CSIA 2024 includes:

- 14th International Conference on Computer Science, Engineering and Applications (ICCSEA 2024)
- 13th International Conference of Networks and Communications (NECO 2024)
- 13th International Conference on Soft Computing, Artificial Intelligence and Applications (SCAI 2024)
- 13th International Conference on Signal, Image Processing and Pattern Recognition (SPPR 2024)
- 5th International Conference on Machine Learning Techniques and Data Science (MLDS 2024)
- 16th International Conference on Wireless, Mobile Network & Applications (WiMoA 2024)
- 16th International Conference on Grid Computing (GridCom 2024)
- 15th International Conference on Ubiquitous Computing (UBIC 2024)
- 5th International Conference on Software Engineering and Managing Information Technology (SEMIT 2024)
